children?

your homework?

Can you keep a secret?

Do you ever tell white lies?

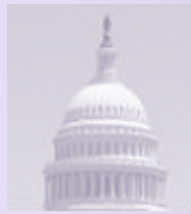

Are you the funniest pupil  
in your class?

Is your mother very pretty?

Are you rolling in money?

Are you very helpful?

Do you think I am the silliest  
Person here?

Have you ever been in prison?

Are you in a good mood?

Is your friend as true as gold?

Are you afraid when alone

Are you jealous of me?

Are you angry with me?

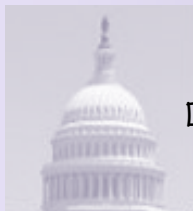

Are you afraid of your teacher?

Are you scared?

Do you want to fight with me?

I doubt it.

When the parents are out.

Of course.

Stop asking such questions.

I don't think so.

Every other day.

I can't remember.

At midnight.

At Christmas.

That depends.

Mind your own business!

Not on purpose.

That's hard to say.

Very seldom.

It doesn't matter.

Every day.

When the moon is shining.

Don't be silly.

As a rule.

Once a year.

At Midsummer.

That's none of your business.

Always.

I'm afraid not.

Certainly not.

With pleasure.

I shall not answer that question.

Yes and no.

Twice a month.

It looks like it.

Early in the morning.

Every Monday morning.

At sunset.

Ask Mother.

I couldn't care less.

Definitely not.

Over the weekend.

Now and again.

Please, don't tell Mother.

As far as I know.

By all means.

Not very often.

Never.

Whenever I am at school.

Never in my life.

Only when I'm alone.

Not in the least.

When away on holiday.
